

Bluetooth Music Cap with built-in mic and headphones to answer calls - R250

Looking for the perfect Christmas and Holiday gift? Fun and function in one present! The Bluetooth baseball cap comes in 5 different colours (black, blue, grey, brown and pink) and is ideal for those times when you're taking a run on the beach promenade or doing an intense workout at the gym, cycling or just busy and need your hands free.

Perfect when driving your car, listening to music, waiting for the bus or taxi, jogging or just rocking out in your bedroom.

It provides a safe alternative to trying to juggle your phone and avoid the beady eyed traffic cops LOL. The earbuds are perfectly designed to fit without any extra wires hanging around your neck or spoiling your profile! The device is rechargeable and comes with its own USB charging cable. All this for only R 250.

Please visit us in Kenilworth Centre or Blue Route Mall, Cape Town. Everyday 9am-5pm, Fridays from 9am-12pm and 2-5pm and Sundays 9am - 1pm.
