

Congratulations! You have purchased an awesome shoe. Thank you so much for letting us be a part of lighting up your life. As well as being a shoe, this is an electronic device so please be careful with it. Take care when inserting the charger cable as the pins are delicate. To prolong the life of the LED lights please do not play soccer or rugby with it 😊

#### **Charging instructions**

\* When the lights do not switch on anymore recharge the battery by using the twin charger cable included with your purchase. Insert pins carefully making sure the pins are aligned. While it is charging red lights will flash around the shoe. Some models may not have charging lights. This does not mean that it is not charging. When it is done charging the lights will stop flashing.

#### **Cleaning instructions:**

- \* Brush off any dirt with a soft brush.
- \* Do not immerse in water
- \* Wipe clean with any liquid soap and water solution. Leave to air dry.
